RICHMOND

If Madero is President.

An incident occurred last Friday in the city of Puebla, that has thrown a beautiful side-light on the character of Mr. Francisco I. Madero, the man who, in all human probability, will be elected President of Mexico next October, says Our Jumb Animals. The incident is best described in the following letter addressed to the secretary of the Society for the Prevention of Cruelty to Animals in the City of Mexico. The letter is from Miss Rosa Mena, secretary of the Puebla Society, a young teacher who for five years has, almost single-handed, fought the battle of the dumb brutes in Puebla, although lately many of the best people in that Mexican theatre have commenced to support her work.

Referring to a gala performance given in Puebla, last Friday, jointly by the Temperance League and the Society for the Prevention of Cruelty to Animals, in honor of Mr. Madero, Miss Mena says:

"Replying to your letter of the fifteenth, I beg to state that in fact we did unite with the Temperance League in a festival in honor of Mr. Madero, and it was a splendid performance. I made a short address to Mr. Madero, in the name of our group, the Puebla Society for the Prevention of Cruelty to Animals."

"When Mr. Madero replied, he praised the labors of the Temperance League, and his eulogy of the Society for the Prevention of Cruelty to Animals was most hearty. He characterized our labors as 'arduous, but highly significant in the cultivation of altruistic sentiments.'"

"He related the following incident, which I quote substantially in his own words: 'Some years ago I had a passion for hunting. One time while in the country, on a hunting trip, I had the luck to fire two accurate shots at a

couple of deer, male and female. I ran to the place where they had fallen, and found the male deer dead and his companion dying. As she died she turned on me a gaze so sad and so full of sweet reproach, that it impressed me very deeply, and from that day to this I have never hunted."

"Mr. Madero continued to enlarge on the importance of the services which animals lend to mankind, and the loyalty and intelligence particularly of the dog and the horse. He finished his remarks with a plea for merciful treatment of animals, and then said that if he should reach any position of public trust we could count upon his decided support of our work."

"Parties who are intimate with Mr. Madero also tell me that he is an enemy of the bull-fight. You can imagine we are pleased over all this, and we who have worked in Puebla under such difficulties and opposition for five years, are rejoiced in view of this encouragement."

It may be added to Miss Mena's statements that bull-fighting is now prohibited in the state of Oaxaca, and a heavy tax on the sport makes it also practically prohibitive in the state of Vera Cruz. The new governor of the state of Hidalgo is a decided friend of the humanitarians, and a society is to be established in Pachuca, the capital of that state. Anti-bull-fighting agitation is on in San Luis Potosi, Nuevo Leon, and some other states of the Mexican Union.

BRONCHITIS CONQUERED

Seventy years old and Praises Wonderful Hyomei.

"I had a severe attack of LaGrippe. It left me with bronchitis and catarrh of my throat. I became quite deaf in one ear so I could not hear a watch tick. I commenced using your HYOMEI and in a few days I was able to hear again, and believe that it saved my life. I have recommended it to many. I am over seventy years old. I have told several prominent doctors what it did for me." Wm. H. Mowder, Washington, N. J., R. F. D. March 16, 1911.

For catarrh, asthma, bronchitis, and coughs, colds and catarrhal deafness, HYOMEI is guaranteed by D. L. Middleton. Complete outfit, including inhaler and bottle HYOMEI \$1.00. Separate bottles HYOMEI if afterwards needed 50 cents.

Tax-Burdened Farmers, Read This.

The Republican platform assures the voters that Governor Willson's Administration is worthy of all praise. Believing that Judge O'Rear meant what he said when he wrote that plank, we have gone to the records at Frankfort for facts on which to base a few inquiries.

The expenditures for active militia during the four years of the last Democratic State Administration was \$29,539.40.

The expenditures for active militia for three years and a half of Willson's Administration was \$277,158.87. Does Judge O'Rear approve of that wicked waste of money on the part of his fellow Republicans, or was the plank pulling the spectacular gyrations of Governor Willson a mere paper bouquet, like the bunch of imitation flowers that was tossed to Taft in the same platform?

And while the Judge is searching his head over this question, we will ask him another. Governor Willson's Republican Board of Equalization made the following raises in the value of farming lands for purposes of taxation:

In 1910 on 93 counties, \$41,550,370.00

In 1911 on 72 counties, \$9,458,857.00

Total for two years, \$92,029,431.00

This unprecedented increase was visited upon the farmers of Kentucky that the debts incurred by Willson's militia might be paid. It meets with the approval of the present Republican Governor. Does Judge O'Rear approve or condemn this act of spoliation? His platform says he approves it, but this may be one of the planks that was inserted just for fun.

The tax-payers know that they are sorely burdened, but until they read these official figures, they will not know exactly how they have been made the victims of Republican extravagance and incompetency.—Danville Advocate.

Kidney Troubles May be Sap- phing your Life Away. Richmond People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, kidney weakness may be the cause of it all. Keep the kidneys well and they will keep you well. Don't take any medicine until you have taken Kelley's Kidney Pills and they have given you a great deal of relief, so I cheerfully recommend them.

Average Value of Land is \$1450 an Acre.

Lands per acre valued in Kentucky from \$331 to \$50.07. The poorest land, according to its value, in Kentucky, is in Rowan county, and the highest priced is in Fayette county. The values range according to the location, the poorest being in the eastern part of the state and the richest land being in the central and western part of the state.

Biliousness is due to a disordered condition of the stomach. Chamberlain's Tablets are essentially a stomach medicine, intended especially to act on that organ; to cleanse it, strengthen it, tone and invigorate it, to regulate the liver and to banish biliousness, positively and effectually. PULL OFF A NEW STUNT

THEY BEGIN THE FALL SEASON WITH

THE MOST

STUPENDOUS SALE!

Ever Held in Richmond

YES, Circumstances Alter Cases. Our buyers went to market with the intention of buying just as few goods as possible to complete our fall stock, but when they reached the markets they found that a great many merchants all over the country had been countermanding goods of all kinds on account of the drouth in their vicinities, and the mills and factories had such immense quantities of goods piled up on their hands on account of these countermands that they gladly snapped up our offer for them in big lots for cash down. And as our buyers are always on the alert for good things for our customers, about so many of the big lots of seasonable new merchandise, it forces us to open our fall season with the biggest and best sale of new up-to-date merchandise ever before offered in this city
